## Women's Health Week Events

### Women's Health Fair

Tuesday, May 13 -- Aurora, CO

The goal of the MCPN Women's Health Fair is to raise awareness about women's health issues and to provide preventative screenings and information. We are inviting local chapters of several National Health associations such as American Heart Association, American Diabetes Association etc. In addition we are inviting a local mental health agency, a local domestic violence organization and staff from our organization with health education and social service information.

### Super Tots Fitness and Health Fair

Friday, May 16 -- Washington, DC

Super Tots Fitness and Health Fair joins National Women's Health Week by offering a Super Tots Fitness and Health Fair from 10 to 2 pm. A day to celebrate fun and fitness good health and exercise for young children and parents.

### Spring Soiree 2003, Celebrating with a Cause

Saturday, May 17 -- Washington, DC

Enjoy an evening of comedy, jazz, and dancing to benefit several non-profit organizations. One of the benefactors of the net proceeds is the African American Coalition Against AIDS and Leap Forward. We wanted to create an event that would bring community awareness about these organizations, as well as, National Women's Week and International AIDS Candlelight Memorial. Jazz Flutist Walter Bell and Comedian Preacher Moss will perform at this event. For more information, visit [www.eventroinc.com](http://www.eventroinc.com). The event will be held from 9:30 p.m.-2:30 a.m. Tickets are \$25.

### Diabetes Town Hall

Tuesday, May 20 -- Washington, DC

Recognizing that over half of the people diagnosed with diabetes are women, the Diabetes Town Hall will highlight the issue of diabetes in the lives of women across the nation and across the life span. Experts from research, policy, academia, community and patients will share the latest information on the prevention and treatment of diabetes. This informative session will promote a variety of approaches to addressing the issue of diabetes and women, including the new HHS National Diabetes Education Program, "Small Steps - Big Rewards" the first national diabetes prevention campaign which was launched on November 20, 2002. This initiative builds on clinical trials that modest lifestyle changes can have a major impact on preventing the disease. In addition, other Department-wide initiatives in NIH, FDA, CDC, HRSA, CMS, IHS, and AOA are working collaboratively to reach this goal and will be

showcased during the meeting. Two examples of these efforts are the HRSA's Diabetes Collaborative and the FDA's Take Time To Care About Diabetes Campaign. Also, in March HHS will launch a National Action Plan on Women and Diabetes, initiating a comprehensive approach to the prevention and management of this important disease. Objectives: 1. Provide accurate up-to-date health information about women and diabetes. 2. To educate women about their risk for diabetes with prevention and management approaches. 3. To encourage the establishment of networks for interaction, information and community action on diabetes prevention and treatment. 4. To showcase national and community resources for women and diabetes. This event will be held from 10 a.m. until 1 p.m.

### ENDOMETRIOSIS: A SELF TEST & ANSWERS TO FREQUENTLY ASKED QUESTIONS

Sunday, May 11 -- Delray Beach, FL  
The Endometriosis Research Center (ERC) is pleased to present all interested parties with free copies of their fact sheet on frequently asked questions about Endometriosis during Women's Health Week. This presentation addresses important concerns and questions about the disease for all those who have, or think they may have, Endometriosis. Also included in celebration of Women's Health Week is the ERC's Self Test, which women and girls can complete and take to their gynecologist for review and discussion. You can either call to get your copy of the publication in the mail, or download it from the website, [www.endocenter.org](http://www.endocenter.org).

## Women's Health Week Events

### Women's Check-Up Day

Monday, May 12 -- Bloomington, IL

OSF St. Joseph Medical Center invites you to join us in recognizing National Women's Check-Up Day at a special event on Monday, May 12th. On that day, health care providers will offer a variety of free screenings (10 a.m. to 2 p.m.). There will also be a cooking demo and instruction on how to conduct a breast self-exam.

### Y-Me Race Against Breast Cancer

Sunday, May 11 -- Chicago, IL

The Department of Health and Human Services will have a booth and a running/walking team at the Y-Me Race Against Breast Cancer on Mother's Day in Chicago.

### Molasses Women's Health Information Bazaar

Saturday, May 17 -- Chicago, IL

Health information, provided by various health organizations, made available to the general public. This is a free event. It will be held from 12-3 p.m.

### National Women's Health Week at the Y

Monday, May 12 -- Waukegan and Vernon Hills, IL

Each day a different topic on women's health will be addressed. We will have morning information tables and possible screenings, evening discussion groups, and some free fitness classes. Registration will only be required for discussion groups and a full calendar of events will be out in mid April with those registration deadlines. To contact this organization by phone, please call: Northern Branch: 847-360-9622 -- Central Branch: 847-367-6797.

## Women's Health Week Events

### Kick-Off Walk

Wednesday, May 14 -- Dyer, IN  
1 Mile fitness walk with health fair

### 1st Annual Women's Health Circle

Saturday, May 10 -- Indianapolis, IN  
We are having a kickoff health fair with free screenings such as diabetes, cholesterol, depression, HIV/syphilis and Hepatitis C. We are providing a free lunch to all that attend as well as guest speakers that will talk about women's health issues. Congresswoman Julia Carson is scheduled as one of the speakers. The kick off will be on Saturday, May 10, 2003 from 12:00-3:30pm at Carter Memorial Missionary Baptist Church, 853 W. Roache St., Indianapolis, Indiana 46208. This event is sponsored by the Minority Health Coalition of Marion County. For further information contact: Tiffany Nichols or Natasha Whitthorne at 317-924-6068.

### Chronic Disease Self Management Training

Tuesday, May 13 -- Indianapolis, IN  
The program gives people the skills to cope with the symptoms and frustrations of living with a chronic condition. It will be held from 9:00-11:30 a.m.

### Heart Alive! Wellness Program

Tuesday, May 13 -- Indianapolis, IN  
6-month rescreening for Heart Alive! participants. This requires an appointment.

### Wellness walk/jog

Wednesday, May 14 -- Indianapolis, IN  
We are also having a wellness walk/jog on Wednesday, May 14, 2003. The walk

will be from 5:30-6:30pm at Washington Park (30th and Rural Ave) on the near east side of Indianapolis, Indiana. We will have giveaways such as T-shirts and water bottles. We will provide all of the participants with health information. The walk is free and all are welcome. The walk is sponsored by the Minority Health Coalition of Marion County and Commit to Quit (Indiana Black Expo). For more information contact Tiffany Nichols or Natasha Whitthorne at (317) 924-6068.

Monday, May 12 -- New Orleans, LA

The Tulane Xavier National Center of Excellence in Women's Health will sponsor a screening day for all female employees of Tulane Hospital and Clinic. Blood pressure and glucose screenings will take place in our women's clinic where there will be healthcare providers and health educators on hand to answer questions. We will also have an information table in the main pavilion of the hospital to provide health information and information on our Center of Excellence to hospital employees as well as the general public.

### **Health Screenings for Female Employees of Tulane Hospital and Clinic**

Monday, May 12 -- New Orleans, LA

TUXCOE will provide all female hospital employees with free BP, Glucose and Cholesterol screenings, as well as a health education session on CVD in women. Participants will be able to schedule a future appt with our Total Woman Health Care Center during this visit. This will be held from 8:30 a.m.-4:30 p.m.

## Women's Health Week Events

### Breast Cancer Risk Research Study in Postmenopausal Black Women

Monday, Nov 01 -- Boston, MA

Screening for eligible women to participate in a research study on breast cancer risk among postmenopausal black women. For more information, visit <http://nutrition.tufts.edu/breastcancer>,

### Kessler Health Education Library - Health Display

Thursday, May 01 -- Boston, MA

Information is available for patients and families about women's health issues.

### National Women's Health Week Educational Display

Monday, May 12 -- Boston, MA

A women's health educational display will be located in the lobby of the JFK Federal Building in downtown Boston from May 12-16th in celebration of National Women's Health Week. Free educational and informational materials promoting women's health and well being through prevention, screening and services will be available to visitors and employees throughout the week.

### Women's Health Educational Display

Monday, May 12 -- Boston, MA

All-day display for employees of the Mass. Dept of Public Health. Health education information for women. Walk-in blood pressure checks offered from 10:30 - 11:30 a.m.

### Women's Health Educational Display

Monday, May 12 -- Boston, MA

All-day display for employees of the Mass. Dept of Public Health. Health education information for women. Walk-in blood pressure checks offered from 10:30 - 11:30 a.m.

### Women's Health Educational Display

Monday, May 12 -- Boston, MA

All-day display for employees of the Mass. Dept of Public Health. Health education information for women. Walk-in blood pressure checks offered from 10:30 - 11:30 a.m.

### National Women's Health Week

Tuesday, May 13 -- Fall River, MA

Bristol Elders will be hosting a blood pressure screening and informational table on Older Women's Health and popcorn and healthy snacks giveaway on May 13, 2003 from 11-1. Our target audience is elders 60 years of age and older who will be at the site on that day to receive their monthly free bags of groceries our organization distributes to them.

### Just for You: A Women's Health Educational Fair

Thursday, May 15 -- Fall River, MA

Health Fair and talk focused on promoting women to use preventative health measures. Activities include: diabetes education and free blood glucose testing; tours of the FIRSTFED Center for Breast Care and breast health information; heart healthy food demo and free cholesterol screenings; chair massages; free depression screenings and more. A talk on new treatments for varicose veins including the latest minimally invasive vein closure procedure by Dr. Ibrahim Eid, board-certified vascular surgeon and internist. The health fair will be held from 3-6 p.m., and Dr. Eid will speak from 6-7:30 p.m.

### Health Education Table

Saturday, May 17 -- Jamaica Plains, MA

We are planning a barbeque from noon to five. Health education materials available. On site nurses will answer questions.

### Women's Health discussion

Monday, May 12 -- Natick, MA

Our local chapter of Mothers & More will host a question-and-answer discussion of women's health issues with a guest nurse-practitioner. Mothers & More is a non-profit organization that provides opportunities for mothers to connect with one another in ways that assist them in developing their unique identities as women and help them move more confidently through the transitions that affect their family, work and life. Visit our local chapter website at [http://home.attbi.com/~mothers\\_framingham/index.htm](http://home.attbi.com/~mothers_framingham/index.htm). This event will be held from 7:00-9:00 p.m.

### National Women's Health Week Events

Monday, May 12 -- Taunton, MA

Morton Hospital and Medical Center will host a National Women's Health week event on May 12, 14, and 16 from 3:30-7:30 pm at the Dr. Anthony N. Elias Health Center. Located at 500 Norton Ave., Taunton, MA 02718. We will have information and staff available to offer cardiovascular, diabetes and

depression screenings, Women's Health Network and mammography literature, and Continence Center Screenings. No registration is required.

## Women's Health Week Events

### Moving Research into Practice: Chronic Disease and Missouri Women

Monday, May 12 -- Columbia, MO

This conference will focus on three major chronic diseases for Missouri women: cardiovascular disease, diabetes, and lung cancer. The conference will open with a keynote speech by Wanda Jones, DrPH, Deputy Assistant Secretary for Health, Office on Women's Health, followed by a plenary panel focusing on each of the three diseases. The first day will end with poster sessions about women's health research projects and model programs and approaches and a reception. The second day will focus on chronic diseases and special issues and populations in Missouri: mental health, aging, and women of color and women living in rural areas. Registration fees are \$30 a day or \$50 for both days.

Students and retired persons may register at no cost. Registration brochures will be mailed the end of February or early March 2003. For more info, e-mail Stephanie Gilmore at gilmos@dhss.state.mo.us.

### National Women's Check Up Day

Monday, May 12 -- Kansas City, MO

This would be a women's health screening and information fair. Nurses from our Federal Occupational Health Center would provide pamphlets on women's health issues, do blood pressure checks and fingerstick blood glucose checks and weight for height measurements. This will be held from noon until 2 p.m. During the hours from 1:00-3:00 p.m. (May 12-16), a nurse in the FOH office in room 901 (also in the Richard Bolling Federal Building) will help women make a check-up appointment with their doctor. If they don't have a doctor they should bring with them the provider list for their insurance company if they have it.

### Annual Pick Your Path To Health Walk

Wednesday, May 14 -- Kansas City, MO

Federal employees as well as other employees in the downtown area of Kansas City, Missouri are encouraged to participate in the annual 1.5 walk. The walk

will begin at 11:00 am. We will meet in the court yard of the Richard Bolling Federal Building. Stretching exercises will take place prior to the walk.

## Women's Health Week Events

### Health Fair

Saturday, May 03 -- Charlotte, NC

On Saturday May 3, 2003, the Progressive Church is planning a Health Fair to wrap up their Health Awareness Week. The topic addressed will be Activity and Weight Control since all of the health issues of African Americans seem to find their roots in diet, inactivity, and obesity. We will have no registration, just announcements, to make everyone aware of the event.

### National Women's Health Fair

Saturday, May 10 -- Roxboro, NC

This health fair will be held from 9 a.m. until noon on Saturday, May 10. It's a free health educational fair and celebration for women of Person County.

## *Women's Health Week Events*

### **Transition and Women's Health**

Saturday, May 10 -- Cincinnati, OH

In honor of Women's Health Week, the Division of Developmental Disabilities of Cincinnati Children's Hospital Medical Center is conducting a workshop on transition and women's health issues. This workshop is targeted towards women ages 16-26 with developmental disabilities, family members, support persons, and professionals. The breakout topic areas will include: exercise, independent living, nutrition, sexuality, signs and symptoms of illness, and stress management. The event will be held from 9:30 a.m. to 2:00 p.m. on May 10, 2003. There is a \$10 registration fee, and lunch will be provided.

### **Workshop on Transition and Women's Health Issues**

Saturday, May 10 -- Cincinnati, OH

9:30 AM - 2:00 PM. The Division of Developmental Disabilities of Cincinnati Children's Hospital Medical Center is conducting a workshop on transition and women's health issues. This workshop is targeted towards women ages 16-26 with developmental disabilities, family members, support persons, and professionals. The breakout topic areas will include: exercise, independent living, nutrition, sexuality, signs and symptoms of illness, and stress management. \$10 registration fee (lunch provided).

### **Breaking the Silence**

Wednesday, May 14 -- Cleveland, OH

This is an HIV/AIDS 101 workshop that covers basic information: transmission, prevention, education, leadership, self-esteem, use of condoms, and drug abuse. There will be a panel presentation. The event will be held at 6:30 p.m.

### **Women's Health Bash**

Tuesday, May 13 -- Fairborn, Ohio, OH

Open to all women within the community. We will be having a Women's Health Bash. We will have health screening tables and information booths,

question and answer session on women's top health concerns, a discussion on women and violence as well as self defense demonstrations. We will provide free daycare and free dinner to all! Let get healthy, one woman at a time!

### **Psychology of Women's Health Poster Session**

Tuesday, May 06 -- Newark, OH

Students in Dr. Smith's Psychology of Women class will present in-depth information of various health issues, with an emphasis on appreciating racial and sexual diversity. A two-week long poster session will showcase 8 different health topics, including specific information on women's symptoms and treatment options. We will use the projects to celebrate National Women's Health Week and educate the community, students, faculty and staff.

### Women's Personal Health Fair – How Healthy is Your Love Life?

Wednesday, May 14 -- Knoxville, TN

We are sponsoring a Women's Personal Health Fair to help women evaluate the health of their love lives and identify medical conditions that can lead to sexual dysfunctions. The Health Fair will be conducted in the lobby of the Center for Personal Health and will include: A sexual health questionnaire [the Female Sexual Function Index (FSFI)] that is used by medical researchers around the world to study female sexuality; Handouts on the causes of female sexual dysfunctions, what to do to improve your love life and on research efforts to find effective treatments for female sexual dysfunctions; Poster displays containing results from some of the latest medical research projects regarding normal female sexuality and potential new treatments for female sexual dysfunctions; and A physician specialist in sexual dysfunctions will be available to answer participant's questions on female sexual health. The Health Fair will be a relaxed self-guided event that can be completed in 15-25 minutes. Participation is free and no registration is needed. However, the size of our lobby limits the number of people who can comfortably participate so please call prior to the event for a suggested 30-minute time band to attend. The Fair will take place from 3-5 p.m. on May 14 and May 16.

### National Women's Health Week Health Fair

Saturday, May 10 -- Nashville, TN

Join us as we celebrate the extraordinary progress in Women's Health at our Women's Health Fair at 100 Oaks Mall from 10 a.m. until 2 p.m. The goal of the fair is to encourage women to take simple steps to improve their health and the health of women for generations to come! Come enjoy free facial makeovers, chair massages, door prizes and visit display tables for health education information. Come pamper yourself for Mother's Day weekend! The Women's Health Fair is in conjunction with National Women's Health Week sponsored by the U. S. Department Of Health and Human Services, Office on Women's Health & United Neighborhood Health Services, Inc. For more information, please call Traci Patton at (615) 228-8902 ext. 136.

### Medicine Woman Dance at Nia Moves

Thursday, May 15 -- Houston, TX

Come Experience Nia! The Nia Technique is a revolutionary body mind fitness and lifestyle program. If you're searching for something to stimulate you, motivate you, and inspire you, look no further. This gentle, graceful, and powerful cardiovascular movement focuses on awakening and empowering your physical, mental, emotional, and spiritual selves. Integrating Western dance modalities such as modern, jazz, and Duncan dance, with eastern martial arts such as tai chi, Aikido, and tai-kwon-do, Nia also incorporates the powerful, conscious postures of Yoga. This systemic, exhilarating, non-impact aerobic workout is ideal for all ages and fitness levels. For more information about Nia, visit [www.niamoves.org](http://www.niamoves.org). Classes will be held at 6am, 5:15pm and 6:20pm. For more information, please call Helen Terry at 281-551-6003.

### Women's Health Day Health Fair

Thursday, May 15 -- Lubbock, TX

Booths of information will be set up throughout our clinic in which health information will be disseminated regarding women's health issues. (We have two clinic locations.) BLOOD PRESSURE AND BLOOD GLUCOSE CHECKS WILL BE OFFERED.

## Proclamations of Women's Health Week

- ❖ The State of Wisconsin has issued a Women's Health Week Proclamation.
- ❖ Green Bay
- ❖ Madison
- ❖ Milwaukee

## Women's Health Week Events

### Through the Eyes of a Woman

Monday, May 12 -- Green Bay, WI  
Presentations will be offered at Aurora BayCare Medical Center on Menopause, Personal Safety, Time Management, and Nutrition/Dieting beginning on Monday, May 12 and ending on Friday, May 16. 30 minute presentations will be offered twice during lunch time. Times of presentations vary. All presentations will be held in conference rooms on the first floor of the Medical Center.

### Taycheedah Correctional Institution Poster Contest

Monday, May 12 -- Taycheedah, WI  
Poster Contest at Taycheedah Correctional Institution. 34 inmates are working on 17 posters. Drawings will be displayed in the gym. Staff and inmates will vote on three top posters. Prizes will be from canteen.

### Taycheedah Correctional Institution Weeklong Events

Monday, May 12 -- Taycheedah, WI  
The Taycheedah Correctional Institution is planning workshops focusing on anxiety and stress, nutrition, foot care, massage therapy, and wind-up.

### Taycheedah Correctional Institution

Tuesday, May 13 -- Taycheedah, WI  
Taycheedah Correctional Institution will be celebrating Women's Health Week by providing a program in conjunction with their school on women's health. Ann Gerou NP will discuss breast self-exams and the importance of annual pap and pelvic exams. She will be followed by a dietician from St. Agnes Hospital who will talk on nutrition. Sessions will take place in the Chapel. Inmates will be offered Body Fat Analyses during the week.
